## Nominal and Actual Lumber Sizes

Always use actual dimensions when measuring and cutting. Nominal sizes (e.g. 2×4) are just a name — the board is actually smaller.

| Nominal Size | Actual Size     |
|--------------|-----------------|
| 1×2          | 3/4" × 1-1/2"   |
| 1×3          | 3/4" × 2-1/2"   |
| 1×4          | 3/4" × 3-1/2"   |
| 1×5          | 3/4" × 4-1/2"   |
| 1×6          | 3/4" × 5-1/2"   |
| 1×8          | 3/4" × 7-1/4"   |
| 2×2          | 1-1/2" × 1-1/2" |
| 2×3          | 1-1/2" × 2-1/2" |
| 2×4          | 1-1/2" × 3-1/2" |
| 2×6          | 1-1/2" × 5-1/2" |
| 2×8          | 1-1/2" × 7-1/4" |
| 2×10         | 1-1/2" × 9-1/4" |
| 4×4          | 3-1/2" × 3-1/2" |
| 4×6          | 3-1/2" × 5-1/2" |
| 6×6          | 5-1/2" × 5-1/2" |

|                                                |                        |               |             |                    |

# Ready to build it?

This free preview shows the size and look. The full plan has everything you need to build.

## Mud Kitchen Plan with 2 TROFAST Bins 44in x 19.5in x 37in

The full plan includes:

- + Complete material shopping list
- + Complete cutting list with every board length
- + 12 illustrated step-by-step assembly instructions
- + Screw locations, pre-drill and fastening details
- + Finishing, safety and care notes
- + 20-page printable PDF (8.5 x 11 in)

**Get the full plan for \$9.99**
